1. Where did you get the name Select Start?

We got it from an old contra code that went 'up, up, down, down, left, right, left, right, b, a, select, start'.

2. Who are your musical influences?

Motion City Soundtrack, Bayside, Starting Line, Weezer, Ozma.

3. If you found a time machine what would your initial reaction be and where would you go?

I would be surprised that it actually existed and then travel to the future to see if we really will have flying cars.

4. Where is your favorite place to perform?

Tampa, FL has always been the best place!

5. If you could have one super power what would it be?

It would be to have the ability to fly.

6. Who is your favorite artist to perform with?

We always love performing with our friends, Vega Under Fire, Stages and Stereos, Appreciation Post, and Go Radio.

7. If you could be any soda, which soda would you be?

I'd be the new cherry dr pepper.

8. What was your craziest fan experience?

Any fans that decide to stalk us in different places. That's always crazy to me.

9. Anything you want to say to your fans?
